The [2025 Nebraska Antimicrobial Stewardship Summit](#) is designed for health care professionals committed to advancing antimicrobial stewardship through evidence-based strategies. This summit will address key challenges and provide insights on antimicrobial practices, fostering facility-wide engagement, and improving patient outcomes.

The summit will feature a general session open to all attendees, as well as a special Long-Term Care (LTC) Fundamentals in Antibiotic Stewardship track for those interested in this focus area. This summit offers a unique opportunity to collaborate with peers and strengthen the critical work of stewardship in health care.

Space is limited - register now to secure your spot!

TARGET AUDIENCE

This accredited continuing education activity is designed for health care workers interested in improving the management of common infections through the incorporation of antimicrobial stewardship principles, particularly those in the following roles:

- For **post-acute and long-term facilities:** Long-term care providers, medical directors, infection preventionists, nurses, consultant pharmacists, directors of nursing, and quality program leaders.
- For **outpatient facilities, hospitals, and health departments:** Family medicine providers, internal medicine providers, ambulatory care providers, pharmacists, nurses, medical directors, and quality program leaders.

SUMMIT LOCATION

UNL Nebraska East Union
1705 Arbor Drive, Lincoln, NE 685035

ACCREDITATION

In support of improving patient care, University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This live activity has been approved for *AMA PRA Category 1 Credit™*.
