We invite you to join us at the 2026 Pan Pacific Lymphoma Conference

Dates: Monday–Friday, July 20–24, 2026

The Pan Pacific Lymphoma Conference (PPLC) is a premier international forum dedicated to advancing lymphoma research, clinical practice, and patient care. For over three decades, PPLC has united a diverse, multidisciplinary community of health care professionals committed to improving outcomes for people living with lymphoma.

2026 Conference Highlights:

- Expert-led sessions on emerging science, clinical innovations, and collaborative care strategies
- Networking opportunities with thought leaders in hematologic oncology, transplantation, pharmacy, nursing, and research
- Global exchange of ideas with peers from around the world
- Opportunities to present your research through the Call for Abstracts
- Career development opportunities, including the Speed Dating with a Lymphoma Expert mentoring event (offered for in-person attendees only; limited spots available)

On-site Conference Venue

Fairmont Orchid, Hawaii

Kohala Coast, Big Island, Hawaii

1 North Kaniku Drive, Waimea, HI 96743

Can't travel to Hawaii?

Join us virtually via livestream and earn continuing education credits. Remote participants enjoy full access to educational sessions and can engage with presenters and colleagues from anywhere in the world.

Conference Objectives

At the conclusion of this activity, participants should be better able to:

1. Evaluate new approaches in lymphoma diagnosis and treatment, including targeted therapies, immunologic and cellular approaches, artificial intelligence applications, liquid biopsy, and advanced imaging technologies.
2. Apply current standards of care for Hodgkin lymphoma (HL), classic Hodgkin lymphoma (cHL), large B-cell lymphoma (LBCL), mantle cell lymphoma (MCL), peripheral T-cell lymphoma (PTCL), follicular lymphoma (FL), and chronic lymphocytic leukemia/small lymphocytic lymphoma (CLL/SLL), including special considerations for pediatric and adolescent/young adult (AYA) patients.
3. Implement multidisciplinary strategies to manage therapy-related toxicities, prevent infections, and provide symptom and psychosocial support across the continuum of lymphoma care.
4. Analyze emerging clinical trial models and how novel therapies and technologies influence research, health policy, and access to patient-centered lymphoma care.

Target Audience

This conference is intended for **oncologists, hematologists, pathologists, clinical scientists, pharmacists, advanced practice providers, and nurses.**

Conference Registration

You have two options for joining the conference:

1 In-Person

Joining us in person grants you full access to all scientific sessions and symposiums. Your registration includes daily breakfasts and refreshment breaks, Tuesday's Welcome Reception, Wednesday's Awards Luncheon, Thursday's Conference Dinner, and eligibility for continuing education credit. In-person participants may also bring accompanying guests to the conference venue for an additional fee. *(See the Accompanying Guests section for details.)*

Conference Engagement Opportunities

CALL FOR ABSTRACTS

The Conference Directors welcome the submission of abstracts for the 2026 Pan Pacific Lymphoma Conference.

All accepted abstracts will be presented as e-posters (accompanied by an audio file) and made available to conference attendees via the conference app's ePoster Gallery. The presenting author is required to register for the conference either as an in-person or livestream attendee.

To learn more about the abstract submission guidelines and requirements, go to www.unmc.edu/PanPacificLymphoma.

The deadline for abstract submission is **March 27, 2026**.

Travel Stipend

The Pan Pacific Lymphoma Conference offers a limited number of travel stipends for fellows-in-training, junior faculty (3–5 years of experience), or nurses with accepted abstracts who wish to attend the conference in person.

Stipend Details

- Conference registration fee will be waived.
- Three nights' lodging, plus tax, at the Fairmont Orchid, Hawaii, will be paid directly by the Pan Pacific Lymphoma Conference.
- Recipients must stay at the Fairmont Orchid, Hawaii; no direct funds will be disbursed.

Important: At the time of abstract submission, a letter from your department chair, chief of staff, or director verifying your status must be uploaded/attached with your abstract.

SPEED DATING WITH A LYMPHOMA EXPERT

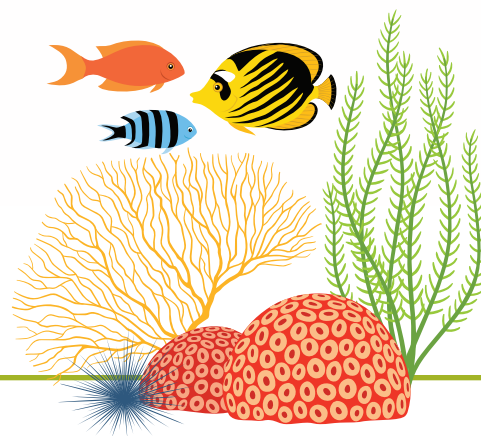

The Pan Pacific Lymphoma Conference offers a dynamic mentoring event connecting early-career physicians with nationally recognized lymphoma experts for focused one-on-one mentoring conversations designed to accelerate career development.

Program Overview

This initiative supports the next generation of lymphoma specialists by fostering early mentorship, career exploration, and community building. Offered for **in-person attendees only**, with limited spots available on a first-come, first-served basis.

Designed for / Eligibility

- Fellows and residents in hematology-oncology training programs
- Junior faculty within five years of completing fellowship
- Not open to pharmaceutical representatives or industry affiliates

Accreditation & CE Information

In support of improving patient care, University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: The University of Nebraska Medical Center designates this live activity for a maximum of 28.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: The University of Nebraska Medical Center designates this activity for up to 28.0 ANCC contact hours. Nurses should only claim credit for the actual time spent participating in the activity.

Pharmacists: The University of Nebraska Medical Center designates this activity for 28.0 ACPE contact hours. Pharmacists should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification (MOC)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to:

- 28.0 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.
- 28.0 MOC points in the American Board of Pathology's (ABPATH) Maintenance of Certification (MOC) program.

To Make Your Reservation

- **Conference registration and hotel reservations are separate.** The Pan Pacific Lymphoma Conference is providing this information only to facilitate access to conference-contracted rates. Participants are responsible for making and paying for their hotel reservations directly with the Fairmont Orchid. The conference cannot make, change, or cancel reservations on your behalf.
- To ensure that only registered participants receive the conference-contracted hotel rates, **the reservation link will be included in your conference registration confirmation email.** If you do not receive this email within 48 hours of registering, please contact the UNMC Center for Continuing Education Registration Office at registrationCCE@unmc.edu.
- **A two-night room and tax deposit is required at the time of booking** to guarantee your reservation.
- Rooms at the group rate are available on a first-come, first-served basis until **May 18, 2026**, or until the room block is full, whichever comes first.
- Historically, these rooms fill quickly. We encourage participants to make reservations early to secure their preferred accommodations and rate.

Hotel Cancellation Policy

- Cancellations made **up to 30 days prior to arrival:** full deposit refunded.
- Cancellations **within 30 days of arrival:** 100% of room revenue charged to the credit card on file.
