- IT Assessment
- Billing Grid/Matrix
- Coverage Analysis
- Collaborations with Non-US entities, physical exports, joint ventures, etc.
- Investigational Device Review Committee (IDRC)
- Scientific Review Committee (SRC) Approval
- UNMC Office of Regulatory Affairs
- ClinicalTrials.gov

**ClinicalTrials.gov**

- A source where anyone can read about clinical trials supported by the National Institutes of Health and other U.S. government organizations, as well as clinical trials conducted by academic and industry sponsors around the world.
- They are coordinated and sponsored by a variety of organizations.
- ClinicalTrials.gov provides information on all studies that have been submitted to the site, regardless of whether they involve research subjects.
- It updates information on all studies entered in the registry to ensure that the public has access to the latest information.
- Searchable by disease, condition, treatment, sponsor, etc.

**Institutional Ign/OT**

- A mandatory element of a National Cancer Institute (NCI) Grant Application.
- Requires the PI to provide the IRB submission number for OnCore.
- The study must be included in the queue for review.
- Submit the OnCore Registry module.

**Regulatory Coordinator**

- Contact: Salvatore Elhag
- UNeHealth/SPA can provide this information.
- Include the following documents for IDRC review.

**Administrative Review**

- UNeHealth is the contracting and fiscal arm for industry-funded clinical trials on behalf of University of Nebraska Medical Center.
- UNeHealth is responsible for clinical trials that are not in the queue for review.
- Submission of study to: studyintake@unmc.edu will place study on the queue for review.

**Regulatory Review Committee (RRC)**

- If utilizing a CIRB that UNMC does not have a current reliance agreement with, contact
- If investigator-initiated trial, work with Lindsay Hicks to register the study in the queue for review.

**Executive Review**

- For all other IRBs of record contact the appropriate IRB coordinator:
