

CENTRIC

Center for Patient, Family & Community **Engagement** in **chronic Care** Management

Quarterly
Newsletter

December 2017
Volume 1.4

Funding Announcements:

CENTRIC funded two pilot grants in December 2017. Patrick Johansson, MD, PhD, from the College of Public Health in collaboration with Paula Schulz, PhD, RN, from the College of Nursing received a \$50,000 grant titled *Cardiovascular Disease Self-Management in Rural Adults: A Pilot Intervention Study Using Technology and RN/Community Health Worker Teams*. Myra Schmaderer, PhD, RN, from the College of Nursing in Collaboration with Rachel Thompson, MD, from the College of Medicine received a \$40,000 grant titled *Self-Management in Heart Failure: M-Health Intervention*.

Quarterly Highlights:

- Postdoctoral Research Associate, Windy Alonso PhD, RN, was recognized at the American Heart Association Scientific Sessions by the Council on Cardiovascular and Stroke Nursing.
- CENTRIC obtained a PAM® license. If you are interested in using the Patient Activation Measure for your self-management research contact CENTRIC about using the institutional license at centric@unmc.edu
- CENTRIC is continuing to recruit for an open Postdoctoral Research Associate position in the College of Nursing. If you would like to refer a potential candidate, please contact Robin Lally at robin.lally@unmc.edu
- Like and follow our new [Facebook page](#).

Technology & Common Metrics:

If you are interested in using metrics that measure self-management, please check our growing library of self-management measures on the [CENTRIC website](#). For more information, contact Bunny Pozehl bpozehl@unmc.edu

Scientific Advancement:

CENTRIC is devoted to creating FOAs for interdisciplinary pilot research proposals focused on self-management of chronic conditions. Visit our [SA webpage](#) or contact Ann Berger aberger@unmc.edu or Mo Siahpush msiapush@unmc.edu for more information on how the SA committee can assist you with furthering your self-management research.

Professional Development:

If you are interested in self-management research of chronic conditions. Email centric@unmc.edu to be added to our distribution list for our Chronic Care Interest Group. For a list of Professional Dev. events visit our [website](#). Contact Sue Barnason sbarnaso@unmc.edu for more info.

Mentoring:

If you would like more information about our mentoring opportunities, please contact Carol Pullen, Mentorship committee co-chair at chpullen@unmc.edu
