

The **C**enter for Patient, Family, and Community **E**ngagement in **C**hronic **C**are Management (**CENTRIC**) is Proud to reveal our first Quarterly Newsletter. Watch out for the newsletter to get upcoming announcement, events and stories about CENTRIC. Always contact CENTRIC staff or visit our website if you have any questions about CENTRIC opportunities.

Announcement:

CENTRIC recently funded its first call for Grant Applications. Funding was awarded to co-investigators **Elizabeth Mollard** from the CON and **Kaleb Michaud**, COM for a project that uses a smartphone app to help patients monitor and improve their symptoms of rheumatoid arthritis.

Funding Opportunities:

Applications are due May 1st 2017 for the current announcement for a \$40,000 one year grant.

A schedule of CENTRIC funding announcements is posted on our website www.unmc.edu/centric/pilot-studies/index.html

Technology & Common Metrics:

If you are interested in using metrics that measure self-management, please check our growing library of self-management measures on the [CENTRIC website](http://www.unmc.edu/centric)

Professional Development:

The professional development committee plans to host a monthly seminar. The first event will be on **April 20th** that will include open discussion, networking, and presentations on Implementation and Team Science.

Scientific Advancement:

If you are interested in applying for the CENTRIC pilot grant, due May 1st, please contact Ann Berger aberger@unmc.edu or Mo Siahpush msiahpush@unmc.edu to discuss project ideas.

Mentoring:

If you would like to become a mentor or mentee for CENTRIC, please contact **Laura Robbins**, Program Coordinator (402) 559-6626 for more information.

Website:
