Biobehavioral Basis of Chronic Pain

**R01: Open Date: June 5<sup>th</sup>, 2020;** click [here](#) for more information  
**R21: Open Date: June 16<sup>th</sup>, 2020;** click [here](#) for more information

\*\*\*See table below for more NIH grant opportunities!

**CENTRIC is always seeking new members! Refer any interested researchers to the [CENTRIC homepage](#). Thank you!**

## CENTRIC funding opportunities: New LOI Cycle Dates!

### LOI applications due: July 15<sup>th</sup>, 2020.

\*Following LOI submission, researchers should note the following upcoming due dates:

- Notification to submit full applications: July 24<sup>th</sup>, 2020
- Mock Review completed by: August 12<sup>th</sup>, 2020
- Full application due: September 2<sup>nd</sup>, 2020
- Be sure to be on the lookout for future funding opportunities!

### JITA funding: due monthly

\*CENTRIC accepts JITA funding on a monthly basis. Applicants may request \$100 up to \$20,000 to use in 6 months to support work for our faculty and postdocs who have little or no funding or access to other funding sources to get work done.

-Please click [here](#) to learn more about JITA and what to include in your application.

## CENTRIC Needs Assessment due July 1st!!

CENTRIC is seeking project ideas on Technology Interventions for Self-Management: Promoting Access and Equity across the Lifespan.

We have developed needs assessment questions due **July 1st OR SOONER!** After we receive the responses, our goal is to develop funding mechanisms and infrastructure to move forward with planned projects that will subsequently lead to external grant submissions.

Please submit your responses to the questions in a word document and email them to [laura.robbins@unmc.edu](mailto:laura.robbins@unmc.edu).
