click [here](#) for more information

Dissemination and Implementation Research in Health

R01: Open Date: May 8th, 2020; click [here](#) for more information

R21: Open Date: May 16th, 2020; click [here](#) for more information

See table below for more NIH grant opportunities!

CENTRIC wants to recognize the following researchers who were recently awarded funding:

JITA:

*Dr. Tiffany Moore

*Dr. Jen Miller

Pilot funding through completion of the Mentored Pilot grant program:

*Dr. Sydney Buckland

*Dr. Jen Miller

Congratulations!

CENTRIC funding opportunities:

LOI applications were due April 15th, 2020. Following LOI submission, researchers should note the following upcoming due dates:

Notification to submit full applications: **April 24th**

Mock Review completed by: **May 14th**

Full application due: **June 4th**

Be sure to be on the lookout for future funding opportunities!

JITA funding – due every month

CENTRIC accepts JITA funding on a monthly basis. Applicants may request \$100 up to \$20,000 to use in 6 months to support work for our faculty and postdocs who have little or no funding or access to other funding sources to get work done. Please click [here](#) to learn more about JITA and what to include in your application.

Know someone who could use some company and comradery to help them through self-isolation? CENTRIC is always seeking new members! Refer any interested researchers to the CENTRIC homepage:
