Kerry Kernen, MPA, MSN, RN

Douglas County Division Chief for Community
Health and Nutrition Service

Ms. Kernen will be joining us to discuss:

1. Engaging Community Health Workers (CHWs) to promote chronic disease self-management
2. Expand on the role of the Community Health Worker in health coaching, as well as other resources the CHW mobilizes to meet client needs in the community
3. Provide an update on the progress made to establish a model for building CHW workforce in Douglas County.
