

**Required Clinical Skills List UNMC College of Medicine**

**Process of Care: Learning how to:**

	<b>COM Objective</b>	<b>Courses Offering Experience</b>	<b>Documented</b>
Obtain patient history (Page 3)	2.1	Clerkships	Pt Encounter Log
Perform complete, organ/gender/age/disease specific physical examination (Page 3)	2.2	Clerkships	Pt Encounter Log
Perform mental status examination	2.2	Psychiatry Clerkship	Pt Encounter Log
Record history and physical examination	4.4	Pre-Clinical Blocks, Clerkships	Pre-Clinical OSCE
Record clinical note (SOAP) format	4.4	Pre-Clinical Blocks, J-Term, Clerkships	J-Term
Present clinical findings to house officers and faculty	4.3	Clerkships	Student Performance Eval
Access clinical information	1.6	Pre-Clinical Blocks, Clerkships	Student Performance Eval
Assess medical literature using EBM guidelines	2.6	Pre-Clinical Blocks, Clerkships	Pre-Clinical Blocks (PBL)
Use electronic health records	2.6	Pre-Clinical Blocks, Clerkships	OneChart training
Observe process of patient informed consent	5.3	Surgery Clerkship	Surgery Skills Checklist
Create prescription	2.5	Pre-Clinical Blocks, Clerkships	Sim Lab
Input hospital/health care facility orders	2.5	Clerkships	Sim Lab
Perform surgical hand and "office" hand scrubs	2.3	J-Term, OB & Surgery Clerkships	J-Term
Accomplish sterile gloving and gowning	2.3	J-Term, OB & Surgery Clerkships	J-Term
Wound care: remove staples/stitches and change a wound dressing	2.3	Surgery Clerkship	Surgery Skills Checklist
Demonstrate basic respect and empathy skills	5.2	Pre-Clinical Blocks, Clerkships	Student Performance Eval
Complete College of Medicine care of the underserved requirement	6.2		COM Grad Checklist

**Diagnostic: Learning how to:**

	<b>COM Objective</b>	<b>Courses Offering Experience</b>	<b>Documented</b>
Interpret blood tests including CBC, blood glucose, electrolytes, chemistry panel, thyroid function tests and inflammatory markers	2.4	J-Term, Clerkships	J-Term
Interpret urinalysis	2.4	J-Term, Clerkships	J-Term
Clinically interpret urine pregnancy test	2.4	OB Clerkship	OB (is it documented?)
Interpret pulse oximetry and arterial blood gases	2.4	J-Term, Clerkships	J-Term
Interpret chest and extremity x rays	2.4	J-Term, Clerkships	J-Term
Interpret basic pulmonary function tests	2.4	J-Term, Clerkships	J-Term
Interpret 12 lead EKG for normal sinus rhythm and most common dysrhythmias	2.4	J-Term, Clerkships	J-Term
Draw venous blood sample	2.3	J-Term	J-Term
Describe arterial blood sample procedure	2.4	J-Term	J-Term
Perform and interpret basic ultrasound	2.3, 2.4	Pre-Clinical Blocks, Clerkships	Sonosim

**Therapeutic: Learning how to or attaining:**

	<b>COM Objective</b>	<b>Courses Offering Experience</b>	<b>Documented</b>
Basic Life Support certification	2.3		COM Grad Checklist
Advanced Cardiac Life Support certification	2.3		COM Grad Checklist
Demonstrate airway management	2.3	J-Term, Clerkships	J-Term
Suture simple skin wound	2.3	J-Term, Clerkships	Surgery Skills Checklist
Assist with spontaneous vaginal delivery	2.3	J-Term, Fam Med & OB Clerkships	OB PEL
Perform IM, IV, and subcutaneous injections	2.3	J-Term, Clerkships	J-Term
Place urinary catheter, male and female	2.3	J-Term, OB & Surgery Clerkships	Surgery Skills Checklist
Place peripheral IV line	2.3	J-Term, Surgery Clerkship	Surgery Skills Checklist
Place nasogastric tube	2.3	J-Term, Surgery Clerkship	Surgery Skills Checklist
Observe needle aspiration of fluids from selected body cavities, such as thoracentesis, paracentesis, and lumbar puncture	2.3	J-Term, Int Med & Surgery Clerkships	J-Term
Perform broncho-inhaler instruction	2.3	Pre-Clinical Blocks, Int Med & Peds Clerkships	IM Clerkship Attendance

***History and Physical examination – observation by physician***

	<b>COM Objective</b>	<b>Courses Offering Experience</b>	<b>Documented</b>
History	2.1	Clerkships	Patient Encounter Log
History – mental status exam	2.2	Psychiatry Clerkship	Patient Encounter Log
Physical – HEENT	2.2	Fam Med & Pediatrics Clerkships	Patient Encounter Log
Physical – Cardiopulmonary	2.2	Int Med & Pediatrics Clerkships	Patient Encounter Log
Physical - Abdomen	2.2	Int Med, OB, Pediatrics & Surgery Clerkships	Patient Encounter Log
Physical – Female genital (including pelvic)	2.2	OB Clerkship	Patient Encounter Log
Physical – Male GU/rectal	2.2	Fam Med Clerkship	Patient Encounter Log
Physical - Musculoskeletal	2.2	Fam Med Clerkship	Patient Encounter Log
Physical - Neurologic	2.2	Fam Med Clerkship	Patient Encounter Log
