

## Frequently Asked Questions

- What if I didn't complete any service activities during that time? That's perfectly fine. You still need to complete a report in OASIS. Simply enter the date you fill out the report and select "No" for the first question.
- What counts? Whatever you did that you feel improved the quality of life or solved problems for people in the community. They can be activities performed with UNMC clubs/organizations, groups outside of UNMC, or on your own; they do not need to involve patient care activities or even be related to medicine. Examples range from participating in SHARING to taking part in a park cleanup.
- What if I took part in multiple activities? Fill out a separate report in OASIS for each to get "credit".
- What if I'm on a Leave of Absence or have stepped out of the curriculum as a part of a dual degree program (MD/PhD, MD/MPH, etc.)? You are exempt from this requirement while you are not in the curriculum.
- What's in it for me? Not only are you playing a part in our accreditation efforts, but you may be eligible for a service-learning award at the end of your fourth year. We also share this information each year with Drs. Grant and Erickson to include in your Dean's letter.
