## Leadership

The Committee will have a Chair and Vice-chair, and each may serve terms of extended length of service as allowed by the COM Bylaws. The Associate Dean for Continuing Medical Education will accept nominations for the Chair and Vice-chair of the committee. The Associate Dean will then vet the candidates who were nominated and present a slate, with recommendations, to the committee for consideration. From this slate, a Chair and Vice-chair will be elected by the voting
members of the committee to a three-year term. The Chair and Vice-chair must be a current member of the committee and have been elected to that position by the General Faculty. The Vice-chair can serve as Chair if that individual is temporarily unable to lead.

## Meetings

Meetings will be scheduled at least quarterly and may meet more frequently, or cancel meetings, as needed. Committee meetings may be conducted electronically, virtually, or in person. Meetings may be called by the Chair or by a majority of voting members of the committee. A quorum for a meeting is $50 \%$ of voting committee members with the majority of those present being an elected member of the General Faculty.

## Operating Procedures

The Committee may establish internal operating procedures/policies and develop subcommittees or taskforces consisting of members of the full committee, involve other members of the campus community, and other stakeholders, to achieve its stated charge.

## Agenda, Minutes, and Reports

The Center for Continuing Education will provide administrative support for the Committee. The Chair and/or Vice-chair, or their designee, are responsible for developing an agenda and ensuring the completion of minutes for the meeting. The Chair will report the activities of the Committee to the General Faculty at least on an annual basis.

## Amendments

The committee will review its charter at least biannually. Proposed amendments to this Charter require a $2 / 3$ majority of eligible and present voting members and should be presented to members at least one week prior to the meeting in which a vote is taken. Once approved by the Committee, proposed amendments should be submitted to the Faculty Council for ratification.
