

Please join us for the House Officer Association Alliance's Annual Welcome Brunch. This is a chance to meet other spouses and significant others of UNMC and Creighton medical students, residents, and fellows. We would love to meet you! Brunch and babysitting provided free of charge.

The House Officer Alliance Association (HOAA) exists to provide support and friendship to the spouses and families of UNMC medical students, residents and fellows. We also partner with spouses and families of Creighton University medical students, residents, and fellows to provide broadened support to the medical community as a whole.
