

**University of Nebraska Medical Center
College of Medicine
Office of Research and Development
Grant Consultant Request – Hanover Research
Proposal Summary Form**

The Office of Research and Development has partnered with Hanover Research, a grant consulting firm, to provide grant support services to UNMC College of Medicine faculty pursuing external funding. **PIs seeking Hanover's support should complete and submit this form to Jen Brady, jen.brady@unmc.edu.** The Office of Research and Development will evaluate each PI request and determine if the project can be accepted into Hanover's pipeline, which is limited to 2 active proposals at any one time. Please see the accompanying information sheet about these services, for questions please contact Dr. Howard Fox, Senior Associate Dean for Research and Development, 9-4821, hfox@unmc.edu.

Date:
