Conference Agenda

7:30 a.m. - 8:00 a.m.  Registration/Breakfast in the Grand Ballroom

8:00 a.m. - 8:15 a.m.  Welcome
  John W. Reinhardt D.D.S., M.S., M.P.H., Dean, UNMC College of Dentistry
  Jana Pressler Ph.D., R.N., Dean, Lincoln Division UNMC College of Nursing

8:15 a.m. – 8:50 a.m.  Professional Education as a Driver for Change
  Richard Valachovic D.M.D., M.P.H.
  President and CEO, American Dental Education Association, Washington, D.C.

8:50 a.m. - 9:25 a.m.  Quality Movement and U.S. Health Care System as it Relates to Oral Health
  Paul Glassman D.D.S., M.A., M.B.A.
  Professor & Director of Community Oral Health, University of the Pacific School of Dentistry

9:25 a.m. - 10:00 a.m.  IP Collaboration and Nursing Practice of the Future
  Erin Hartnett D.N.P., A.P.R.N.-B.C., C.P.N.P.
  Program Director, Oral Health Nursing Education and Practice (OHNEP) and Teaching Oral Systemic Health (TOSH), New York University College of Nursing

10:00 a.m. – 10:15 a.m. IPE Ice Breaker Exercise
  Myhanh T. Phan-Rinne D.D.S., Assistant Professor, UNMC College of Dentistry

10:15 a.m. – 10:30 a.m. Networking Break

10:30 a.m. – 12:00 p.m. Models for Interprofessional Education (IPE) and Practice (IPP) in the U.S.
  Kari L. Franson Pharm.D., Ph.D., University of Colorado School of Pharmacy
  Paula Weistroffer B.A., D.D.S., M.S., University of Iowa School of Dentistry
  Patricia W. Underwood Ph.D., R.N., F.A.A.N., I-LEAD Program
  Case Western Reserve University School of Nursing

12:00 p.m. – 1:30 p.m. Working Lunch – Round Table Discussions & IPE Exercise/Case Study
  Timothy Durham D.D.S., M.P.A., Assistant Dean for Patient Services and Quality Officer
  UNMC College of Dentistry

1:30 p.m. – 2:30 p.m. Laying the Foundation for IPE and IPP in Nebraska
  H. Dele Davies M.D., M.S., M.H.C.M., UNMC Vice Chancellor for Academic Affairs
  Devin Nickol M.D., UNMC College of Medicine Assistant Dean for IPE
  Rita Schmitz R.N., M.S.N., UNMC College of Nursing – Lincoln Division

2:30 p.m. – 3:00 p.m. Small Groups Meet to Design IPE Programs and Put into Practice

3:00 p.m. – 3:15 p.m. Networking Break

3:15 p.m. – 3:45 p.m. Reconvene and Small Groups Report on Their Program Designs
  Rita Schmitz R.N., M.S.N., UNMC College of Nursing - Lincoln Division

3:45 p.m. – 4:00 p.m. Closing Remarks & Evaluations

Please mark your calendar! Next year’s conference is tentatively scheduled for Friday, June 12, 2015.
Dr. Rick Valachovic is the president and CEO of the American Dental Education Association and President of the ADEAGies Foundation. He joined ADEA after more than twenty years in research, practice and teaching of pediatric dentistry and oral medicine and radiology. Dr. Valachovic is a Diplomate of the American Board of Oral and Maxillofacial Radiology and certified in pediatric dentistry and dental public health. He earned his D.M.D. from the University of Connecticut School of Dental Medicine and holds a masters degree in public health and a master of science degree in health policy and management from the Harvard School of Public Health. In addition, Dr. Valachovic is an author of more than 120 articles, book chapters and monographs.

Paul Glassman, D.D.S., M.A., M.B.A., is a professor of dental practice and director of the Pacific Center for Special Care at the University of the Pacific Arthur A. Dugoni School of Dentistry. He has served on many national panels, including the Institute of Medicine’s (IOM) Committee on Oral Health Access to Services—which produced the IOM report on Improving Access to Oral Health Care for Vulnerable and Underserved Populations—and the Board of Directors of the DentaQuest Institute. Dr. Glassman has been prominent in advocacy on state and national levels for health system reform to improve oral health systems for underserved groups.

Erin Hartnett, D.N.P., A.P.R.N.-B.C., C.P.N.P., is the program director for the NYU College of Nursing’s oral health programs: Oral Health Nursing Education and Practice (OHNEP) and Teaching Oral Systemic Health (TOSH). Dr. Hartnett is developing an interprofessional oral health curriculum with NYU Nursing, Medical and Dental schools. She is working with the American Academy of Pediatrics and the American Academy of Pediatric Dentistry on a study on oral health in primary care. Dr. Hartnett also coordinated an oral health education program for the NYC Family Partnership staff which is now being offered nationally.

Kari L. Franson, Pharm.D., Ph.D., is associate dean for professional education at University of Colorado Skaggs Schools of Pharmacy and Pharmaceutical Sciences. She received her Pharm.D. from University of California, San Francisco and obtained her Ph.D. with the thesis: “Provision and assessment of pharmacology and pharmacotherapy education across an integrated medical school curriculum” from Leiden University, the Netherlands. She currently oversees the entry-level Pharm.D. curriculum, post-B.S. (North American- Trained and International-Trained) Pharm.D. office and programming, Experiential office and programming, Continuing Education office and programming, and serves on the Interprofessional Education Council for the University of Colorado Anschutz Medical Campus.

Paula Weistroffer, D.D.S., M.S., is a clinical associate professor in the Department of Periodontics at the University of Iowa College of Dentistry. She earned her D.D.S. degree, certifi cate in periodontics and a master’s degree in oral sciences at Iowa. After becoming faculty, her focus in educational research has an emphasis in interprofessional education. Most recently, Dr. Weistroffer was awarded one of this year’s collegiate teaching awards, the highest honor a given college bestows upon faculty for excellence in teaching. She is a Diplomate of the American Board of Periodontology.

Patricia W. Underwood, Ph.D., R.N., F.A.A.N., is the developer and co-director of the Josiah Macy Jr. Foundation Interprofessional-Learning Exchange and Development (I-LEAD) grant to establish an interprofessional curriculum within the Schools of Medicine and Nursing at Case Western Reserve University. An associate professor at the Frances Payne Bolton School of Nursing, she teaches across the curriculum but primarily in the doctoral programs. Dr. Underwood is the past chair of the Education Research Section of the Midwest Nursing Research Society and is recognized nationally for her work in curriculum development, education research, community coalition building, and health policy leadership.

H. Dele Davies, M.D., M.S., M.H.C.M., serves as the vice chancellor for academic affairs for the University of Nebraska Medical Center. He received his medical degree and master of science degree in epidemiology from the University of Toronto, and an M.S. in health care management from the Harvard School of Public Health. Dr. Davies is a recognized expert in pediatric infectious diseases and a leader in community health. He serves on a study section for the National Institutes of Health and National Institute of Allergy and Infectious Diseases that reviews training grants.

Devin Nickol, M.D., is the assistant dean for interprofessional education and assistant professor at the UNMC College of Medicine. His areas of expertise include general internal medicine, epidemiology, and interprofessional education. Dr. Nickol is a clinician in primary care internal medicine and also teaches a summer field epidemiology course for UNL at Cedar Point Biological Field Station.

Rita Schmitz, R.N., M.S.N., received her bachelor’s degree in Nursing from Creighton University and a master’s degree in nursing from the UNMC Center College of Nursing with a specialty in adult health. She is an assistant professor for the UNMC College of Nursing on the Lincoln Campus and serves as the undergraduate semester two coordinator and course coordinator for the patient centered care courses. She also is the course coordinator for both of the patient centered care courses. Ms. Schmitz is past president of the Nebraska Nurse’s Association District Three, past chair of Undergraduate Curriculum Committee for the College of Nursing, and College of Nursing’s representative on the planning committee for the Interprofessional activities on the Lincoln campus.
