

REGISTERED DENTAL HYGIENIST OBSERVATION LOG

RDH OBSERVATION LOG INSTRUCTIONS

1. List hours for each date observed on a separate line- do not group hours for multiple dates together. RDH must certify each line with their signature.
2. While there is no specific minimum number of observation hours required at the current time, applicants are strongly encouraged to acquire a meaningful amount of experience in relevant settings to enhance their understanding of the profession.
3. Observation of a DDS is not acceptable; even if the DDS is performing RDH responsibilities.
4. Volunteer hours do not count as observation hours (Example: VetMOM, etc.)
5. Observation hours should occur at different dental offices, including locations outside the applicant's place of employment.
6. Completed log(s) should be uploaded with the ADEA DHCAS application, prior to January 31st.
