### OUR PEOPLE

- **300 students**
- **410 faculty**
- **3800 alumni**
- **131 staff**

### STATE WORKFORCE

- **66%** of all Nebraska dentists are UNMC graduates
- **82%** of all rural Nebraska dentists are UNMC graduates

### SCHOLARSHIPS

The UNMC College of Dentistry provides more than **$140,000** annually in scholarship aid from private contributions.

### INCOMING STUDENTS*

- **NEBRASKA**: Dental 62%, Dental Hygiene 100%
- **RURAL AREAS**: Dental 53%, Dental Hygiene 75%

*Data from the incoming classes starting fall 2020

Where do our graduates go?**

- **Dental**
  - 32 in practice
  - 16 in advanced education residencies
  - 1 public health service
- **Dental Hygiene**
  - 24 in practice

** Data from the graduating classes of 2020

When the COVID-19 pandemic presented the college with unique challenges, the students, faculty and staff worked together to continue to fulfill the college’s mission “to continually improve the oral health of the people of Nebraska and beyond through a humanistic approach to education, extraordinary patient care and innovative research.”
SERVICE

Current Rotation Sites for Dental & Dental Hygiene Students and Residents

The College of Dentistry forms part of the dental “safety net” for the state of Nebraska, conducting more than 71,000 patient visits.

Patient Visits 2019-2020
- Lincoln clinics: 30,337
- Omaha clinics: 16,392
- Extramural rotations: 13,425
- Charitable outreach: 11,793

RESEARCH

Over the past 5 years, College of Dentistry faculty and staff members have authored:

- 165 scientific publications
- 12 textbook chapters
- 1 textbook

$1,697,165 extramural research support in 2019-2020

Areas of research supported by this funding:
- studies on cell signaling in skin biology, palatal fusion, oral and other cancers; dental materials research; digital dentistry; DNA damage and repair in cancer biology;
- treatment of periodontal disease; teledentistry in rural health; and oral health training and service.

Sustained support from NIH funding averaging over $1.6 million per year for the past 10 years despite having the 10th smallest dental student class size in the country.

60 grants awarded to College of Dentistry faculty and staff members over the last 5 years.

100% of our dental and dental hygiene students conduct research in their programs and 25% go on to present at national conferences and meetings.

OUR VALUES

We value our strong sense of community. We are committed to compassionate care, collaborative learning, and the continuous exploration of knowledge. We demonstrate integrity, accountability, intellectual curiosity, and passion in everything we do. We respect diversity and its contributions to our culture of excellence.
