

# Conversations for Inclusive Excellence

## CHALLENGE, QUESTION & DISCUSSION PROMPTS

### CHALLENGE:

Listen

[http://bit.ly/AMA\\_Race-based\\_Medicine](http://bit.ly/AMA_Race-based_Medicine)

Read

[http://bit.ly/AMA\\_COVID\\_Race\\_Ethnicity](http://bit.ly/AMA_COVID_Race_Ethnicity)

### QUESTION:

“What do you see that does, or could, contribute to health inequity in your community?”

### DISCUSSION:

Watch

[http://bit.ly/CFIE\\_Racism\\_Place-ism](http://bit.ly/CFIE_Racism_Place-ism)

### Discussion Prompts:

1. What brought you to today's session?
2. What were some of your main takeaways?
3. What are your thoughts on zip codes effecting health disparities or life expectancy?
4. What about this talk challenged something you may have believed?
5. What are some thoughts about innovation? Other ideas?
6. How can we teach students to see everyone as whole patients and increase their level of empathy? What about seasoned providers and other faculty members?
