

Getting Your Radiation Badge History

While you can always contact the Radiation Safety Office to obtain a record of your radiation badge history, a new feature provided by Landauer (the badge company) allows workers to review this information online at any time. Use the following steps to review your badge history online:

- 1) Go online at myldr.com
- 2) At the login page use the following;

Username: **unmc**

Password: **AimHigh!**

In an effort to keep your data safe and secure, Landauer is continuously upgrading our cybersecurity policies. As a part of this upgrade, we will be phasing out the use of browser versions that don't comply with TLS1.2 (Transport Level Security over the internet).

After January 15th, the compliant browsers available to use with myLDR are: IE 11+, Edge, Firefox 27+, Chrome 30+
