

Laboratory Emergency Contact Information

Please provide the following information for emergency notification purposes only. These phone numbers are only shared with Security Dispatch and **are not** listed on the laboratory sign posted outside of the laboratory entrance. Security Dispatch will only call the Emergency Contact in, in the event of an emergency,

Emergency contacts will be called in the order listed below.

Typically the Principal Investigator (PI) is the Primary Contact.

All contacts listed should be knowledgeable about the contents of the laboratory space. Emergency response personnel may ask these individuals for technical information during emergencies. If emergency contacts or phone numbers change, please contact EHS to update your records promptly. Laboratories should review their emergency contact lists monthly to ensure the most current information is available.
