

ENVIRONMENTAL HEALTH AND SAFETY

PERSONAL PROTECTIVE EQUIPMENT (PPE) TRAINING & ISSUANCE RECORD

The Principal Investigator, or their designee is responsible for determining and providing the appropriate PPE and training on PPE needed for tasks/job functions in the laboratory. Lab personnel are responsible for inspecting their own PPE before and after use, reporting any defects of their PPE to their PI, wearing PPE as instructed, and storing their PPE appropriately. Please reference the Laboratory PPE Selection Guide for assistance with PPE selection.

First & Last Name: \_\_\_\_\_

Principal Investigator: \_\_\_\_\_ Department: \_\_\_\_\_

Table with 3 columns: PPE Item, Type, Date of Training & Issuance. Rows include Eye Protection, Face Protection, Hand Protection, Hearing Protection, Respiratory Protection, Lab Coat, and Other.

By signing this document you indicate confirmation that the above listed PPE was issued to the recipient with appropriate training and instruction for use.
