DIVERSIFY SKILLS + YIELD SUCCESS

INVEST IN YOURSELF

One of the most profitable and high-performing investments you can make is in yourself. The Office of Faculty Development provides the tools to help diversify your skills and yield career success. We've created a full year of new and innovative training programs to fuel your teaching and career advancement.

Who We Are + What We Do

The Office of Faculty Development aims to help faculty deal with the rapid changes and evolving paradigms in education, clinical practice and health care systems.

We provide development opportunities through educational seminars, immersive programs and dynamic workshops. It is our fundamental goal to provide faculty with the tools they need to navigate a successful career and ultimately recognize the critical importance of their roles as educators; in the clinical setting, classroom and beyond.

STRATEGIC PLANNING

CAREER RESOURCES

The Office of Faculty Development is committed to the career success of UNMC faculty members. We offer an array of programs and resources to assist faculty with their advancement. Coaching and career planning are valuable tools to help faculty excel.

Creative Coaching at UNMC

Do you need help identifying your career goals? The Office of Faculty Development offers coaching services for faculty to improve their performance and effectiveness. We have trained more than 20 UNMC faculty who are ready to meet with you to discuss and strategize how to achieve your career goals.

The Creative Coaching Program will pair you with a trained coach who aligns with your interests. Your coach is a holistic thinking partner who guides you towards achieving your goals through inquiry and self-assessment.
