Where can I find copies of the emergency use authorization (EUA) fact sheets?

- Pfizer Vaccine: [https://www.cvdvaccine.com/](https://www.cvdvaccine.com/)
  - Under “I am NOT a Healthcare Professional”, select “United States” to view the Fact Sheet for Recipients and Caregivers
  - Under “I am a Healthcare Professional in”, select “United States.” From there you will see links to the Fact Sheet for Providers Administering Vaccine (Vaccination Providers)

- Moderna Vaccine: [https://www.modernatx.com/covid19vaccine-eua/recipients/](https://www.modernatx.com/covid19vaccine-eua/recipients/)
  - In the top right-hand corner are links to various resources including: EUA Fact Sheet for Vaccine Recipients, Multi-Language Resources, and EUA For Vaccination Providers
  - EUA for recipients can be found here: [https://www.modernatx.com/covid19vaccine-eua/eua-fact-sheet-recipients.pdf](https://www.modernatx.com/covid19vaccine-eua/eua-fact-sheet-recipients.pdf)

How and when do I need to get a second dose of the vaccine?

- When you need to get a second dose of the vaccine depends upon which series you received for your first dose, varying from 21 days (Pfizer) to 28 days (Moderna) following the initial dose
- Vaccine clinic personnel will schedule your second visit at the time of your initial dose. But please ensure that this has been accomplished prior to leaving the vaccination clinic
- As a reminder, getting the second dose is necessary for the vaccine to be fully effective

What if I have an adverse reaction to the vaccine?

- If you experience symptoms that prevent you from working, including a fever, within 48 hours of receiving the vaccination:
  - You should not attend onsite class or rotations
  - You should contact The Student Health Clinic 402-559-7204
- If you experience mild symptoms other than fever (ex. chills, fatigue, headache, muscle and joint aches) that do not prevent you from working, you may attend onsite class or rotations
  - However, if these symptoms last longer than 48 hours, you should contact The Student Health Clinic 402-559-7204
- If you are experiencing symptoms other than those listed above (new cough, shortness of breath, loss of taste/smell, gastrointestinal symptoms), avoid coming to campus and self-isolate. Contact the Student Health Clinic 402-559-7204 to arrange COVID-19 testing. These symptoms are not reported to be increased in trial after COVID-19 vaccination.
- If you have an adverse reaction that requires emergency or urgent care, please see our guidance regarding emergency care or immediate care clinic visits at [https://www.unmc.edu/familymed/studenthealth/emergency-care-or-icc/index.html](https://www.unmc.edu/familymed/studenthealth/emergency-care-or-icc/index.html).

Where else can I find more information?

- Information for colleagues is available on the NOW at [https://now.nebraskamed.com/covid-19-vaccine-information/](https://now.nebraskamed.com/covid-19-vaccine-information/)
- Information is also available on the Nebraska Medicine Website at [https://www.NebraskaMed.com/Vaccine](https://www.NebraskaMed.com/Vaccine)
UNMC Student Emergency Department Visits at UNMC Omaha Campus

- If you become ill or injured after-hours and require urgent care for a severe medical emergency, you may use the UNMC Emergency Room.

UNMC Student Emergency Department Visits Away from UNMC Omaha Campus

- Students requiring urgent care while away from the UNMC Omaha campus should go to the nearest urgent care facility or emergency room. Please make sure you have proof of insurance with you at all times.
- All students should contact their insurance company for questions and charges.

United Healthcare Student Resource (UHCSR)

- Students who have paid into Fund B and have UHCSR coverage are required to:
  - Contact Student Health Administration via email (Studenthealth@unmc.edu) or by calling 402-559-5158 or 402-559-5691, within 48 hours of release for a referral if seen in UNMC Emergency or The Midtown Immediate Care Clinic after Student Health Clinic hours, on weekends or holidays.

Other Major Medical Insurance

- Students carrying other insurance will need to contact your insurance carrier to see if a referral is required.
- Charges for services not covered by Student Health Fund B will be filed with the student's major medical insurance plan:
  - If you are insured through UNMC's endorsed student insurance plan and have questions regarding a claim, please contact Devin Schleicher at 402-559-5158
  - If you are not insured through UHCSR, the appropriate insurance company should be contacted to file a claim.

Please note the following:

- Approved referrals do not constitute or ensure automatic payment by the insurance company. The insurance company will pay for covered expenses only. If you are on the UHCSR insurance plan, find out what is covered by visiting https://www.uhcsr.com/.
- If you are not on the UHCSR Insurance Plan, please contact your insurance company to inquire about coverage. If the student does not have a referral from Student Health, the entire cost of the visit and services rendered may be the student's personal responsibility

*ALL STUDENTS ARE REQUIRED TO HAVE MAJOR MEDICAL INSURANCE*
