

## Gainful Employment

The University of Nebraska Medical Center is choosing to early-implement the rescission of the Gainful Employment Rule in accordance with the Gainful Employment Electronic Announcement #122- Early Implementation of the Rescission of the Gainful Employment Rule as well as the Final Rule 34 CFR Parts 600 and 668. This policy is July 1, 2019.

The University of Nebraska understands that by utilizing the early implement process, UNMC is no longer required to report Gainful Employments (GE) data for the 2018-19 award year to NSLDS. By choosing to early implement, UNMC will no longer be required to post the GE Disclosure Template and other GE Disclosures that are required under 34 CFR 68.412 or our web pages.
