After logging into your account, you will see your portal homepage with all your current information and other important areas for reviewing financial aid, enrollment, student hold (holds may block you from enrolling and receiving aid), and Student Accounts. Also, PLEASE NOTE: All notices will be sent to your UNMC email address.

In the top menu; click on the Financial Aid tab. This will take you to your Financial Aid information. In the drop down menu in the top right corner of the page, select the aid year you want to see. The page will display loans offered, accepted and totals for your loans. Your cost of attendance is listed at the bottom of the page.

PLEASE NOTE: FEDERAL LOAN AID CANNOT BE ACCEPTED FOR A SINGLE TERM ONLY. YOUR ACCEPTED AMOUNT OF LOAN AID WILL BE DELIVERED BASED ON THE TERM SPLIT OF YOUR PROGRAM.

You are required to review your Financial Aid Message Center for additional information or processing requirements. Your Financial Aid Message

Center shows all Holds, Messages, Notices Sent and To Do List Items. We encourage you to review your Message Center under each area of MyRecords. Other areas may place your account on hold (missing transcripts, immunizations). These holds will not appear under the Financial Aid area.

Click on each box to review contents. Review your account for HOLDS on a regular basis. Holds may result in no registration, which will result in you not receiving aid. “Notices Sent” will show a copy of the communication sent to you. The “To Do List” will list any processing requirements that you may have. You can click on each to do list item for additional information and links about how to complete the requirement. If you fail to complete all To Do List requirements, your aid request will not be processed.

Once UNMC has confirmed the document or process is completed, the item is removed from your To Do List. Please allow 72 hours after completing the process for the To Do List requirements to clear. Requirements clear using timed processing runs that rely on Department of Education processing. Most processing runs do not done every day.
