You are required to review your Financial Aid Message Center for additional information or processing requirements. Your Financial Aid Message
Center shows all Holds, Messages, Notices Sent and To Do List Items. We encourage you to review your Message Center under each area of MyRecords. Other areas may place your account on hold (missing transcripts, immunizations). These holds will not appear under the Financial Aid area.

Click on each box to review contents. Review your account for HOLDS on a regular basis. Holds may result in no registration, which will result in you not receiving aid. “Notices Sent” will show a copy of the communication sent to you. The “To Do List” will list any processing requirements that you may have. You can click on each to do list item for additional information and links about how to complete the requirement. If you fail to complete all To Do List requirements, your aid request will not be processed.

Once UNMC has confirmed the document or process is completed, the item is removed from your To Do List. Please allow 72 hours after completing the process for the To Do List requirements to clear. Requirements clear using timed processing runs that rely on Department of Education processing. Most processing runs do not done every day.
