

## Learn or improve your Spanish skills this summer!

UNMC is continuing its trademark intensive Medical Spanish/Global Health courses with several three-week virtual offerings available during summer 2022. These courses feature:

- One-on-one Spanish instruction, tailored to the participant's level of Spanish (determined by an initial placement test)
- 90 classroom hours of instruction over the three-week period: six hours per day, five days per week
- Two one-hour medical/health-related lectures per week
- Zoom format
- Classes taught by linguistics instructors from UNMC's partner institution, Universidad Anáhuac Veracruz (UAV) in Xalapa, Mexico

### Summer 2022 course dates:

June 6 – 24

June 27 – July 15

July 18 – August 5

### Course costs:

- \$150 program fee (payable to UNMC)
- \$1,835 course tuition (payable directly to UAV)

### Additional information:

- Course size limited to five students per session
- Optional post-course volunteer week with the Omaha LatinX population (pending)
- This course is jointly sponsored by the UNMC's Pediatric Global Health Program and the Office of Global Engagement (OGE) in collaboration with UAV-Xalapa
- Testimonials from previous UNMC participants available here: <https://www.youtube.com/watch?v=0ITP1RefApE&t=9s>
