

# UNMC INTERNATIONAL STUDENT ORIENTATION FALL 2025

AUGUST 14-15, 2025

## Welcome!

We are excited to welcome you to the 2025 UNMC International Student Orientation at UNMC. This brochure will give you an overview of what you can expect during orientation.

The goal of orientation is to make you feel comfortable on the UNMC campus, to meet new friends and to help you feel at ease about the start of your new semester and academic journey.

The Office of Global Engagement staff will be at orientation to answer questions. There will be a number of informative presentations to give you resources, tricks and tips to help you succeed.

And of course, there will be **food!**

We look forward to a fun international student orientation this year!

Sincerely,  
Emily Brandt  
Office of Global Engagement Coordinator

**P.S. Please remember that all sessions on August 14 and August 15 are mandatory.**

# Orientation FAQs

## Do I have to attend all sessions?

Yes - all orientation sessions on August 14 and 15 are mandatory. The pizza party on August 13 is optional, but we highly recommend it!

## What should I bring to orientation?

We will have sessions to help you troubleshoot any IT issues you are having - so bring your laptop/cell phone with you. Please note that we are not liable for your belongings, and you will need to be responsible for them. Otherwise, bring a smiling face and an open mind!

## What are we going to do at orientation?

Please check out our schedule on the next two pages.

## What do all those symbols on the schedule mean?

Food or snacks will be served.

This symbol shows an event where groups will be divided so that each activity happens in shifts. We will explain this to you and help you get to where you need to go!

Refreshments will be available.

This means that our amazing orientation ambassadors will be leading or helping with this session or activity.
