- **Prior to February 10<sup>th</sup>** (for May graduation), **June 10<sup>th</sup>** (for August graduation) **or October 10<sup>th</sup>** (for December graduation): Complete the degree application on <u>MyRecords</u>.
- <u>Recommended</u>: Two-to-three **months** in advance of the approximate date of the Comprehensive Exam, the student should consult with his/her Advisor and Advisory Committee and establish the tentative (unofficial) date and time for the exam. Note that the exam must be completed no sooner than 10 months and at least 2 weeks, prior to commencement/graduation.
- At least 2 weeks before the Comprehensive Exam (at least 4 weeks before commencement):
  - With approval from the Advisor, the student must (via <u>Seguidor</u><sup>TM</sup>) establish the Examining Committee (typically, the student's Advisory Committee) and officially schedule the Comprehensive exam to be held at least 2 weeks prior to commencement/graduation. The Examination Committee must agree to the date & time <u>before</u> this information is entered into Seguidor. The exam location must also be established at this time. Advance planning is necessary, because Seguidor will <u>not</u> allow exam scheduling within 2 weeks of the desired exam date.
- <u>At least 2 weeks before commencement</u>: Complete the Comprehensive Exam.
- <u>No more than 7 days after the Comprehensive Exam</u>: Results of the Exam must be reported to the Graduate Studies Office (via <u>Seguidor</u>). It is recommended that the Examining Committee complete this task immediately.
