4. **PLEASE BRING THE FOLLOWING ITEMS TO YOUR FIRST APPOINTMENT:**

   * Your medical insurance cards and your driver’s license or state identification card.
   * All prescription and over-the-counter medications you take, including vitamins and herbal preparations. Bring the medications themselves, not just a list.
   * All appliances you use to assist you: eyeglasses, hearing aids, dentures, cane, walker, etc.
   * If you have chosen us to be your new primary care provider, and you have executed Living Will and/or Health Care Power of Attorney documents, please bring copies of these documents to be placed in your permanent medical record.
