New Employee Orientation

UNMC. BREAKTHROUGHS FOR LIFE.
Welcome

Welcome to UNMC. It was just over five years ago that I, myself, was a new employee. It did not take me long to discover that this is a highly focused, strategic organization. Yet, it is at the same time a dynamic, warm, welcoming, innovative, engaged and what I would characterize as highly “relevant” organization.

This is an academic health sciences center that is building upon its legacy but also focused on its future. This is no accident. No matter your role here at the University of Nebraska Medical Center, you will soon find that you play a part in making a tremendous difference in the life and health of those we serve.

You will also find that this is something that we can only do together. There is no individual that can create the kind of excellence. We are a family committed to our future.

It is our goal that everyone at UNMC and our clinical partners, our nearly 5,000 employees, our supporters and all of our colleagues, align his or her personal mission with the concept that we are changing the world by improving the human condition.

I would like everybody involved with UNMC to get up in the morning, as I do, and say, “I know today is going to be a great day, because today, by doing the job that I do, I am going to help improve the human condition.” And, I’d like every one of them also, when they get home at night, and are asked, “What did you get to do today?”

That their answer will be, “Today, I improved the human condition.”

We will do so through the delivery of extraordinary care, remarkable discovery and transformational learning. Today, I invite you to take this stand with us -- that together, we will lead the world in transforming lives for a healthier future.

This is what we do here at UNMC.

Sincerely,

Chancellor Gold
Welcome

As an internationally recognized academic health sciences center, UNMC discovered long ago to be successful you must have an environment comprised of dedicated, energetic, engaged, and committed employees. For over 140 years, we have prided ourselves in creating a workplace where individuals want to come to work, uniquely contribute, and perform at their highest level every day. Because of this, we have an extremely talented workforce who are some of the best in the world.

It is wonderful time to be a part of this organization. We are continuously transforming the way we operate to improve our ability to meet the ever changing health needs of the lives we touch and the global community in which we serve. We are very proud of where we are today and even more excited about where we are headed. With that, we are excited you have chosen to join us in that journey.

You truly are our most important asset.

As you participate in the orientation process, it is our goal to acquaint you with our organization. The more you know about UNMC, its culture and values, the better prepared you will be to fulfill the important role you will play in our continued success.

Once again, I am excited to welcome you to UNMC and wish you great success!

Kind Regards,

Aileen Warren
Associate Vice Chancellor
Executive Director, Human Resources

UNMC NetID

UNMC faculty, staff and students are automatically given a UNMC NetID when they become an employee or become an enrolled student. Your department administrator will be notified when your NetID is created and will notify you of the account.

Your UNMC NetID gives you access to the campus network drives and printers, Outlook email, Office 365, OneDrive for Business, Canvas, UNMC Intranet, Student Information System, McGoogan Library electronic resources, UNMC Research Support Systems (RSS), CARE (Campus Records for Students) as well as the wireless network.

Access to One Chart, the online medical record, requires an additional request process.

UNMC Today (UNMC Intranet)

http://info.unmc.edu/

The UNMC Intranet page contains links to everything on campus. It is updated daily with the most recent UNMC news and gives you access to the online campus calendar.
Firefly

PURPOSE:

Firefly is the business portal for the University of Nebraska. Firefly is available to every employee and can be used to manage personal information related to employment, as well as provide a starting point for many job functions. “Firefly” is our local branding of the SAP Portal and provides an easy to use interface for SAP system activities.

Within Firefly, you will see several tabs listed at the top of the screen such as UNMC Home, Logon, Employee Self Service, and SAPPHIRE. The specific tabs available depend on your job responsibilities.

Each of these tabs serve as a starting point from which you can perform a number of activities. Specific tabs are described below.

Standard Tabs with Firefly

HOME: directs the user back to the Firefly home page. From this page, you can view Firefly and business news or access directory information.

EMPLOYEE SELF-SERVICE (ESS): this is the most frequently used section of Firefly and is available to all employees. You can use it to perform activities such as viewing your pay stub, requesting leave or viewing leave balances, as well as updating personal information such as addresses, bank accounts or your tax withholding. This is also the place where you launch the annual benefit enrollment process.

SAPPHIRE: the online resource for SAP business users. It contains campus specific business forms and reference guides, training materials and a form to request adjustments to your SAP system security privileges.

Depending on your job role and security settings, other applications (tabs) you may have access to can include: SAP Logon, My Staff, eSHOP, Reporting, Workflow Inbox and Twitter.
Employee Services (eServ)

net.unmc.edu/eserv/

Employee Services is an online portal for UNMC employees to do the following:

- Sign-up for UNMC Alerts (E2Campus)
- Access campus parking (forms, maps, parking lot move requests)
- Request Network/Telecom Services
- Register for campus events and training
Canvas

UNMC uses the Canvas System for the campuses online learning environment. All courses are provided space on the system and include online content, schedules, announcements, discussion and collaboration tools, testing and a grade center among additional learning materials and links used in UNMC courses.

Employees will use Canvas to access their annual compliance training modules. (i.e. statement of understanding, compliance, safety, cultural competency, etc.)

Professional Development

info.unmc.edu/development/

A highly-trained, highly-motivated workforce is vital to UNMC’s success. To this end, we offer many courses and programs to enrich and broaden your professional skills.

- **Employee development**
  - Re-imagining U – The HR employee development program gives UNMC and UNO employees the opportunity to customize their learning and skill development in a way that is right for them. The courses are offered repetitively over two semesters each year. Content is derived from needs indicated for employees and leaders in our current strategic vision and employee engagement surveys. Courses are offered either individually or in a cohort format.

- **Grand rounds**

- **Faculty development** (www.unmc.edu/facdev/)

- **Diversity and Inclusion Learning and Development**
  - UNMC offers many opportunities to learn and increase awareness of diversity and inclusion topics. Workshops topics include Unconscious Bias, Ouch! That Stereotype Hurts, and other courses available through Re-Imagining U. UNMC also recognizes and celebrates heritage months through regular programming and events.

- **Employee mentoring**

- **Faculty mentoring**

- **Tuition remission**
  - UNMC provides an employee and dependent scholarship program. Benefits of this program may be used at the four campuses of the University.

Elevating the capability of our leaders and developing our employees only increases our ability to exceed the educational and research needs of our community and our students.
Reward and Recognition

The success of UNMC is rooted in the hard work and dedication of its employees. Our employee appreciation programs encourage all of us to recognize those co-workers whose work embodies UNMC’s most vital values – innovation, teamwork, excellence, accountability, courage and healing.

 **Silver ‘U’ Award** recognizes UNMC’s top performers whose daily contributions or special achievements help meet UNMC’s mission.
 **Gold ‘U’ Award** recognizes members of the UNMC community who consistently deliver outstanding performance and service to UNMC.
 **Service Awards** are based solely on the number of years of employment in the University of Nebraska system and are given in 5-year increments for staff (managerial professional and office service) and 10 year increments for faculty. Employees receive an anniversary gift in recognition to their service.

 **Faculty Awards**
  - Outstanding Research and Creativity Award (ORCA)
  - Outstanding Teaching and Creativity Award (OTICA)
  - University-wide Departmental Teaching Award (UDTA)
  - Engagement Award (IDEA)

 **People Are Everything** is UNMC’s online reward and recognition program. Use the program to send eCards, submit Silver and Gold U nominations and redeem Service Award gifts.
