CERTIFICATION AND SERVICE OF VAPORIZERS & ANESTHETIC MACHINES

- **For certification of Anesthetic vaporizers the UNMC/UNO IACUC maintains a group schedule to assist researchers with meeting the regulatory requirement.**
  - Please contact Traci Clemons tclemens@unmc.edu or 559-8560 for information about group scheduling.
  - We currently utilize JC BIOMEDICAL

- **To schedule an individual appointment or for service you may also contact:**
  - JC BIOMEDICAL JOHN CICH
    7765 MAIN STREET
    RALSTON, NE 68127
    PHONE: 402-734-6023
    FAX: 402-734-6023
    JCICH@JCBIOMEDICAL.COM
  - “The Anesthesia Repair Guy” Dave Osborn
    647 Crimson Leaf Trail, Eagan MN. 55123
    612-270-9416
    theanesthesiarepairguy@gmail.com
  - PENLON AMERICA Dave Griffith
    800-328-6216
    dave.griffith@penlon.com

- *For the policy please visit the IACUC website Guidelines and Policies tab Policy for Inhalant Anesthetics*

- **Documentation of Equipment Service**
  - Vaporizers must have documentation of calibration/service. Information that must be affixed to the vaporizer include:
    - Date of last service
    - Initials of service technician
  - Documentation of service must be kept in the lab and readily accessible for inspection by the IACUC at any time.
