

# The Future is Here: Impact on Healthcare

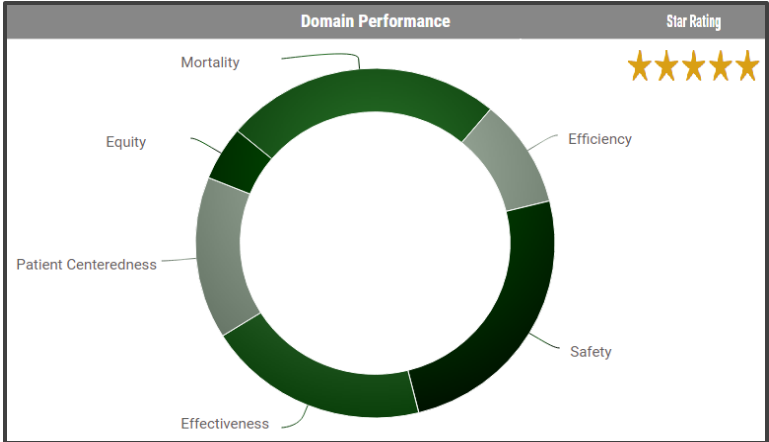

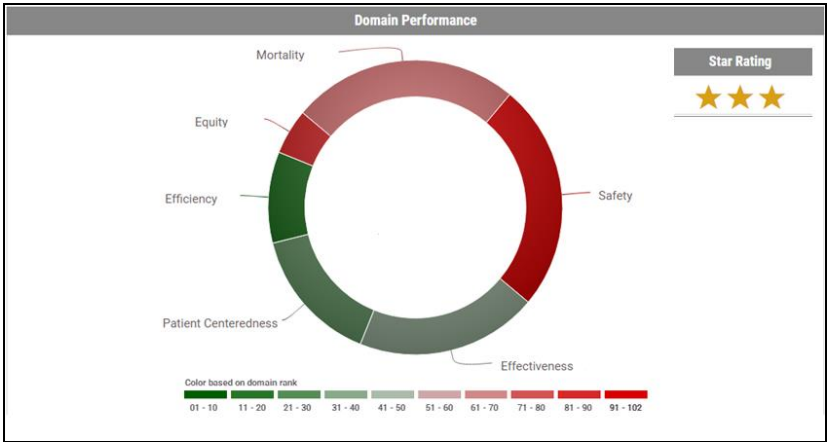

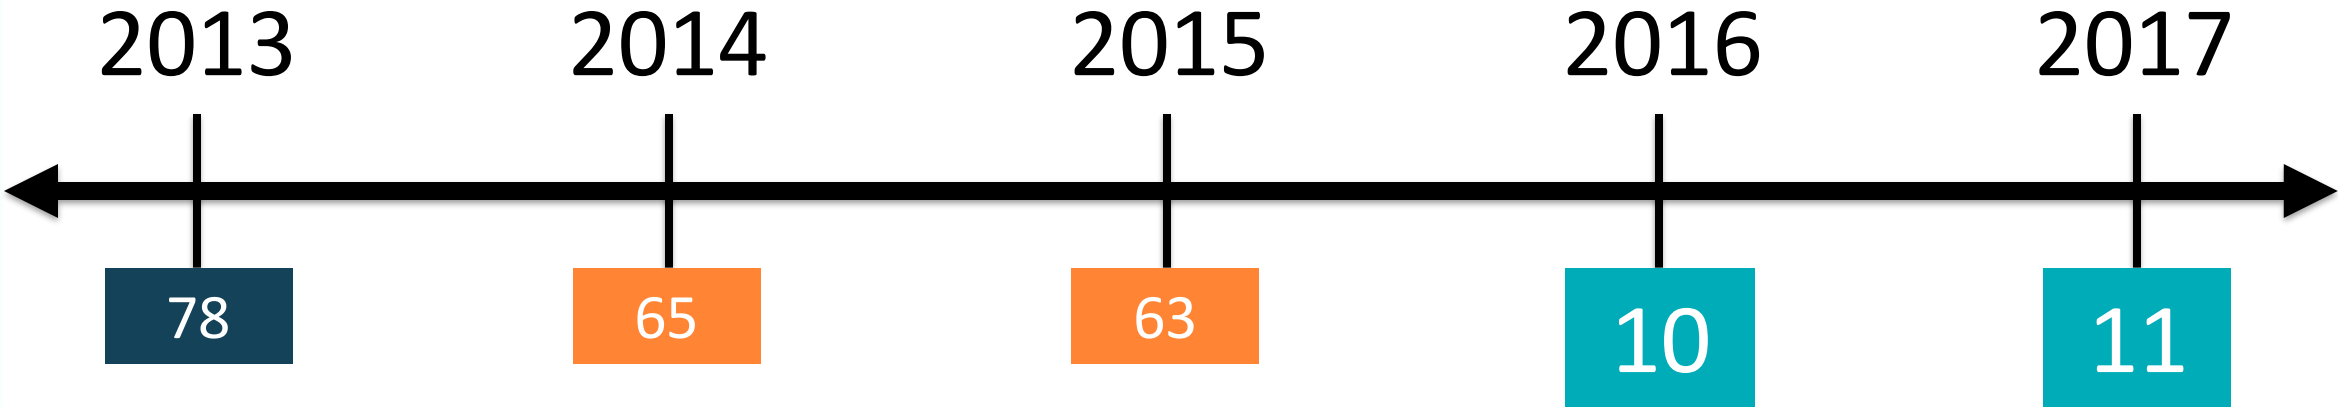

**Michael Ash, MD, FACP**

EVP, Chief Transformation Officer  
Vice Chancellor Information & Technology

SERIOUS MEDICINE. EXTRAORDINARY CARE.™

# The Transformation

# 1845

fewer Nebraska Medicine patients affected by a hospital-acquired condition 7/1/14 – 6/30/18.  
(69% decrease in the number of harm events)

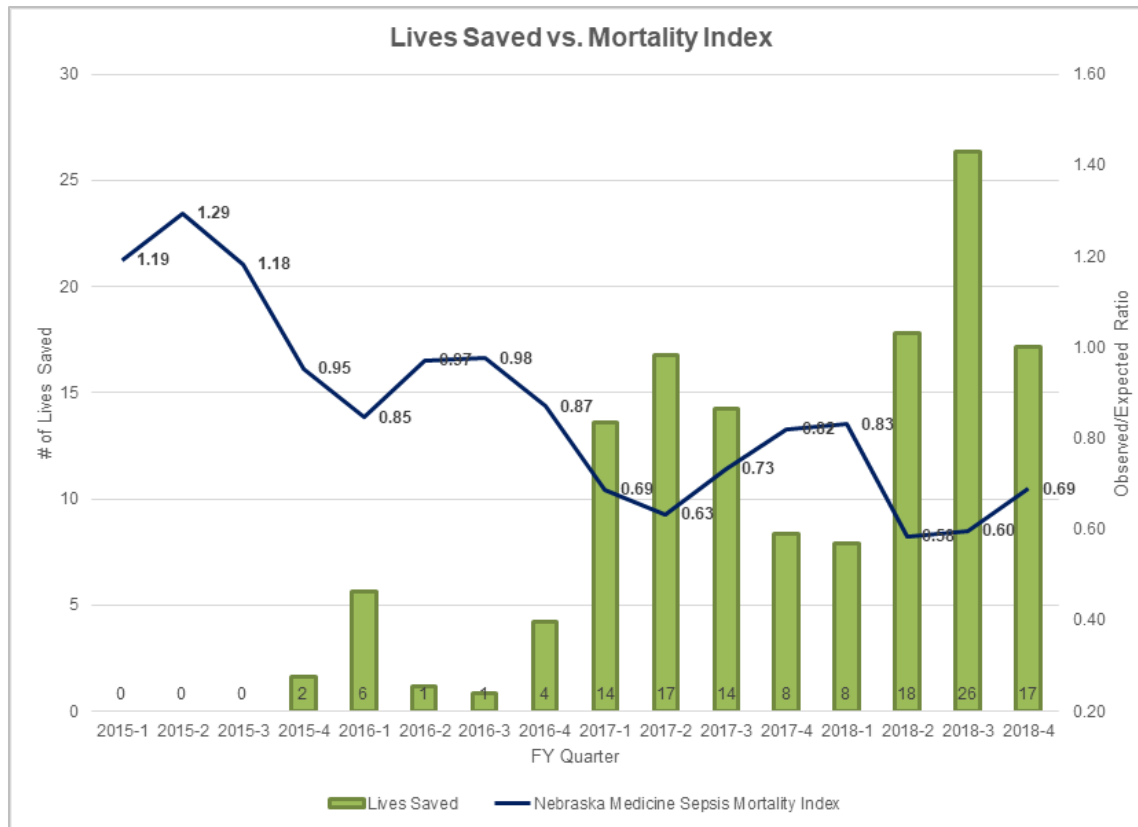

**Can't jump a 20 foot chasm with two 10 foot leaps**

# Tools & Training - Early detection of deteriorating patient

## Sepsis – 134 lives saved since July 2015

# Environment – Improving Human Performance & Effectiveness in Health Professions Education
