Choosing the OES/SOC Occupation Code

Go to:  http://www.flcdatacenter.com/OESWizardStart.aspx

1. Choose Nebraska or the state where the employee will be working.

2. Choose the Data Source and select the appropriate area. UNMC and UNO are eligible to use either Data Source.

3. Select an occupation from the list.

   Positions in Biological Sciences begin with 19. Faculty positions begin with 25. Research Technologist positions related to biological sciences can use the code: 19-4021 or 19-4031

   After selecting an occupation from the list, you will see four wage levels. For Postdoctoral Research Associates, Research Associates, and Technologists - Level I Wages are generally accepted.
