

Registering Your uCentral™ Account

Registering on a Mobile Device:

1. On your mobile device, connect to your institution's WiFi network¹
2. Go to the app store on your device and download the uCentral from Unbound Medicine app
3. Open the app and choose the Create Free Account option
4. Fill in the fields that appear in order to set up your account and tap Set Up an Account
5. The content will then download directly onto your mobile device
6. You are now ready to use uCentral on your mobile device and the web²

Registering on the Web:

1. While connected to your institution's WiFi network¹, go to www.unboundmedicine.com/ucentral
2. Click the Sign In button in the top right corner of the screen
3. Select the Register button on the pop-up screen
4. Fill in the fields that appear in order to set up your account and click Continue
5. You are now ready to log in to your uCentral account with the username and password you chose

¹ After initial registration, you will no longer need to be on your institution's WiFi network to use uCentral

² You can log in to your uCentral account from any web browser using the email and password you created at www.unboundmedicine.com/ucentral
