

Instructions for downloading the uCentral mobile application

If you have not yet created a uCentral account, do so by following the instructions below:

1. While connected to your institution's WiFi network, go to www.unboundmedicine.com/ucentral
2. Click "Register a free account" with Nebraska Medical Center in the upper right corner of the screen
3. Follow the onscreen instructions to set up your account

Once a uCentral account is created, set up the mobile app using the following instructions:

1. On your mobile device, connect to your institution's WiFi network
2. Go to the app store on your device and download the "uCentral for Institutions" by Unbound Medicine app
3. Open the app and choose "Sign In"
4. Use your personal uCentral credentials to sign in and download content

After initial registration, you will no longer need to be on your institution's WiFi to use the mobile app.
