

New Authentication System

All library resources now require you to log in using your UNMC NetID and password.

This authentication system is called OpenAthens.

Your route through Open Athens will look different if you start *within the library website* or *outside of the library website*. Some resources are available only through the library website.

Starting Within the Library's Website

After clicking on a resource link, select your UNMC role. Second, log in with your UNMC Net ID.

University of Nebraska Medical Center

Choose how to sign in

-  **UNMC Students, Faculty, and Staff**
Sign in at University of Nebraska Medical Center 
-  **Volunteer Faculty and Guest Accounts**
Sign in using your University of Nebraska Medical Center account

Starting Outside of the Library Website

At the website of the UNMC library resource, look for the *OpenAthens* or *Sign In* or *Log In* prompt. This prompt will look different depending on publisher or vendor.

Note: Not all library resources use OpenAthens. Some must be accessed through the library's website.

The screenshot shows a web browser window with the URL <https://www.nejm.org/doi/full/10.1056/NEJMra1908213>. The page features a Harvard Medical School advertisement for "WRITING FOR MEDICAL AND SCIENTIFIC JOURNALS" starting in November 2020. Below the ad, there are navigation links for "NEJM Group", "Follow Us", "Sign In", "Create Account", and "SUBSCRIBE". A red arrow points to the "Sign In" link. The NEJM logo and "The NEW ENGLAND JOURNAL of MEDICINE" are also visible. A yellow banner at the bottom of the page states: "This article is available to subscribers. [Subscribe now](#). Already have an account? [Sign in](#)". Below the banner, the text "REVIEW ARTICLE" and "FREE PREVIEW" is displayed. The main title of the article is "Treatment of Chronic Lymphocytic Leukemia" by Jan A. Burger, M.D., Ph.D.

Locating UNMC

Before logging in, search for University of Nebraska Medical Center and click on that link.

The screenshot shows the OpenAthens login interface. On the left, the 'Sign in with an OpenAthens account' section contains fields for 'Username' (with a sub-label 'Email address or username') and 'Password', a 'Sign in' button, and a link for 'Problems signing in?'. A large red prohibition sign is overlaid on these fields. On the right, the 'Find your institution' section features a search bar containing 'University of Nebraska' and a search icon. Below the search bar, it indicates '1 institution found' and lists 'University of Nebraska Medical Center' as a result. This result is circled in red, and a red arrow points to it. At the bottom, there is a cookie consent notice and the OpenAthens logo.
