

UNMC Designated Observers

Educational Use of Library Resources

To support you while you are at the University of Nebraska Medical Center or Nebraska Medicine, you may use the public computer workstations located on the 6th floor of the library in Wittson Hall. You will need to request a PIN at the Askus Desk in order to access public computers each day for 90 minutes. Public computers are available during public service hours: Monday - Friday, 7:30^{am}-5:00^{pm}. You may also use any printed materials within the library.

Although you have been given a photo ID while you are at UNMC,

- your ID does not allow you to check out library materials,
- your ID does not allow you to access the library after public hours,
- your ID does not allow you to log onto any campus network computer.

If you have any questions, visit the Library's homepage at www.unmc.edu/library, call us at 402-559-6221, or email us at askus@unmc.edu.
