About the Conference

The University of Nebraska Medical Center, Center for Continuing Education invites you to participate in the 2011 Pan Pacific Lymphoma Conference on August 15-19, 2011 at the Grand Hyatt Kauai Resort & Spa, Koloa, Hawaii.

Trusted for a decade for its educational excellence, this international conference brings together over 500 members of the multidisciplinary lymphoma clinical team including oncologists, hematologists, pathologists, clinical scientists, and nurses. A full complement of research and clinical case presentations, symposiums, posters, and exhibits make this conference one of the largest gatherings of clinicians and researchers specializing in the area of lymphoma and transplantation.

The 2011 Pan Pacific Lymphoma Conference will include a nursing component (Monday and Tuesday), a pathology component (Tuesday), and a medical component (Wednesday-Friday), as well as two-hour symposiums throughout the conference.

Why I Should Attend?

- Learn from cutting-edge presentations and engage with key thought leaders in the area of lymphoma and transplantation
- Gain vital information on clinical updates, research, and best practices from a diverse range of sessions and poster presentations
- Exchange ideas with over 500 renowned clinicians, scientists, and experts from across the US and around the globe who are involved in the care of lymphoma patients
- Network with US and international colleagues
- Receive more than 20 hours of CME/CE credit for attending the five day conference

Who Should Attend?

The conference agenda has been carefully tailored to offer educational and practical value to anyone with an interest in lymphoma including:

- Oncologists
- Hematologists
- Pathologists
- Clinical Scientists
- Nurses
- Industry Representatives

Conference History
The Pacific Lymphoma Conference was first held in 1994 with subsequent conferences held biennially. Over the years, the format of the conference has evolved from focusing only on medical education to including nursing and pathology components. Additionally, the conference has expanded to include symposiums designed to provide more focused educational opportunities in the areas of hematology/oncology.

Target Audience
The 2011 Pan Pacific Lymphoma Conference is specifically designed for hematologists, oncologists, pathologists, clinical scientists, nurses, and other healthcare professionals who are involved and/or interested in the management of patients with Hodgkin lymphoma (HL), non-Hodgkin lymphoma (NHL), and chronic lymphocytic leukemia (CLL).

Objectives
At the conclusion of the conference, the attendees should better be able to:
1. Discuss the role of PET scanning in treatment decisions
2. Evaluate the place for high dose chemotherapy and stem cell transplantation for NHL
3. Identify novel therapies currently in clinical trials for NHL and HL
4. Summarize the diagnosis and treatment of rare types of lymphomas
5. Review the optimum therapy for early stage NHL and HL

Credit
The University of Nebraska Medical Center, Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Nebraska Medical Center, Center for Continuing Education designates this live activity for a maximum of 23 AMA PRA Category 1 Credit(s)™. Each physician should claim only the credit commensurate with the extent of their participation in the activity.

The University of Nebraska Medical Center College of Nursing Continuing Nursing Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

This activity is provided for 23 contact hours under ANCC criteria. Provided for 27.7 contact hours under Iowa Provider #78. Provider approved by the California Board of Registered Nursing, Provider #13699 for 27.7 contact hours.

The symposiums held in conjunction with this conference will also be CME/CE accredited by the UNMC Center for Continuing Education and UNMC College of Nursing Continuing Nursing Education.

Disclosure Policy
It is the policy of the UNMC Center for Continuing Education and the UNMC College of Nursing Continuing Nursing Education to ensure balance, independence, objectivity, and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any significant financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation.

We’re going green! A digital copy of the syllabus will be distributed to conference attendees.

Call for Abstracts
The Conference Directors welcome submission of abstracts. Abstracts must be submitted online at www.unmc.edu/panpacificlymphoma by March 31, 2011.

Authors will receive final notification of abstract acceptance via email by April 15, 2011. All accepted abstracts will be presented as posters at the conference. Time will be dedicated during the continental breakfasts and refreshment breaks for poster viewing and an opportunity to meet the authors.

Travel Stipends
The 2011 Pan Pacific Lymphoma Conference will provide a limited number of $1000 stipends to fellows-in-training, junior faculty* members and/or nurses whose abstracts are accepted. To be considered for the stipend, a letter from the department chair, chief of staff, or director verifying status must be submitted by fax to Brenda Ram, CMP at 402-559-5915 by March 31, 2011.

Stipend will cover:
• Conference registration; and
• Up to two (2) nights’ lodging plus tax at the Grand Hyatt Kauai Resort & Spa

*Junior faculty is defined as a faculty member of three years or less.

Conference Sponsor
This conference is sponsored by the University of Nebraska Medical Center, Department of Internal Medicine, Division of Oncology and Hematology through the resources of the UNMC Center for Continuing Education.
