CALL FOR ABSTRACTS: April 16, 2012

unmc.edu/panpacificlymphoma
The University of Nebraska Medical Center, Center for Continuing Education invites you to participate in the 2012 Pan Pacific Lymphoma Conference on July 17-20, 2012 at the Hyatt Regency Maui Resort & Spa, Maui, Hawaii.

Trusted for a decade for its educational excellence, this international conference brings together members of the multidisciplinary lymphoma clinical team including oncologists, hematologists, pathologists, clinical scientists, and nurses. A full complement of research and clinical case presentations, symposiums, posters, and exhibits make this conference one of the largest gatherings of clinicians and researchers specializing in the area of lymphoma and transplantation.

The 2012 Pan Pacific Lymphoma Conference will include scientific sessions on Tuesday through Friday and two-hour symposiums throughout the conference.

**Target Audience**
The 2012 Pan Pacific Lymphoma Conference is specifically designed for hematologists, oncologists, pathologists, clinical scientists, nurses, and other healthcare professionals who are involved and/or interested in the management of patients with Hodgkin lymphoma (HD), follicular lymphoma (FL), diffuse large B-cell lymphoma (DLBCL), mantle-cell lymphoma (MCL), and T-cell lymphomas.

**Objectives**
At the conclusion of the conference, the attendees should be better able to:
1. Apply recent trial results with current and emerging agents and regimens to develop evidence-based clinical management strategies for Hodgkin lymphoma (HD), follicular lymphoma (FL), diffuse large B-cell lymphoma (DLBCL), mantle-cell lymphoma (MCL), and T-cell lymphomas.
2. Develop an algorithm for the optimal management of patients with lymphoma, inclusive of multi-modality therapies and maintenance-based regimens, across the disease continuum.
3. Personalize lymphoma treatment regimens based upon patient- and disease-specific characteristics.
4. Evaluate the optimal patient selection, timing, and regimen for stem cell transplant in patients with lymphoma.
5. Identify timing and patients to enroll in ongoing clinical trials for novel therapies.

**Credit**
The University of Nebraska Medical Center, Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Nebraska Medical Center, Center for Continuing Education designates this live activity for a maximum of 20.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Nebraska Medical Center College of Nursing Continuing Nursing Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

This activity is provided for 20.75 contact hours under ANCC criteria.
