- Minutes from March meeting were approved.

- Old Business
  - GSA Bowling Night
    - Held April 2nd (Good Friday) at West Lanes.
    - Head Count: ~44 people
    - 7 lanes. Cost ~$414
    - Everyone agreed that it went well. West Lanes was clean and safe facility. They also said we should be able to come back next year in March/April, they just need a few weeks notice.

- New Business
  - Petition to City of Omaha for Yield to Pedestrian Signs
    - Erin Rosenbaugh is heading this.
    - Intersection of Emile and Saddle Creek, drivers turning right do not check for pedestrians
    - It was also mentioned that 40th street between the Student Life Center and Sorrell can be dangerous to cross.
    - Ideally have better signs warning drivers to watch for pedestrians, cross lights at 40th, and/or occasionally have a speed trap at that area.
  - Macori Insurance Update
    - Rates are going up 10% ($538/semester)
    - Dental will also be increasing
    - Spouse/dependent coverage not feasible – individual plans are available on-line
    - Currently not an option to switch insurance companies. The university looked into this 3 years ago and decided Macori had the best cost/benefit.
    - Needlestick coverage for those not on Macori - $17/year. Covers $1000
