Minutes
April 4, 2001

The meeting was called to order at 5 p.m.
Minutes of the previous meeting were approved.
Roll call: Those present included president: Javine Winterboer, Vice President: Carrie Gwilt, Treasurer: Gangadhar Sunkara, Secretary: Casey Johnston, Senate: Various members.
Advisor's Report-Dave Carver: Dr. Carver wants the senate members to be sure to have a watchful eye during the luau so as to not let it get out of control. Everything that happens reflects on the senate and the school, so use discretion while having fun. Make sure no one drives home drunk.
Speaker-Keith Swarts and Tina Spencer: Tina Spencer spoke about parking changes for the upcoming summer and new school year. The campus will be undergoing renovation and that will cause parking to be disrupted. 650 employees of UNMC and NHS will be displaced, but students should not be adversely affected. There will be no rate increases for next year. Questions should be directed to Tina Spencer at the parking services office or at tspencer@unmc.edu.

Old Business
Tuition: The resolution that was drafted and passed by vote of the senate was changed to make sure that students that are in danger of having tuition raised above their peer groups will be protected. The Chancellor made a proposal to the University President in order to lessen the blow to medical students and dental students, who already pay higher than peer tuition. The President approved the proposal and the Regents will vote on the issue on April 7.
Luau: The luau will be on April 21, 2001 at the Holiday Inn on 72. Senate members will be responsible for selling tickets, watching the door throughout the night, and decorating. Tickets should be picked up at Patti George's office by Wednesday the 11th. Make sure to get an accurate list of people that will be going to the dinner portion of the night. All are welcome.
Graduation: Graduation date is May 11, 2002.

New Business
Renegotiations for student insurance will be held on April 11, 18 and 25.
