**Additional Benefits of Corporate Sponsorship**

We had over 100 participants at last year’s event. This year we are Combining Iowa – Nebraska Physiological Society meetings at Des Moines University and we feel this quality function is an excellent vehicle to enhance your promotional efforts in the Nebraska – Iowa area to scientists who will have the opportunity to use your services.

**Iowa - Nebraska Joint Physiological Society Meeting**

Des Moines University

**October 21-22, 2011**
