

Postdoctoral Residency Admissions, Support, and Initial Placement Data

Date Program Tables are updated: 4.15.2026

1. Program Disclosures
Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution's affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If yes, provide website link (or content from brochure) where this specific information is presented: N/A

2. Postdoctoral Program Admissions
Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements: The Munroe-Meyer Institute at the University of Nebraska Medical Center Psychology Postdoctoral Fellowship Program is an APPIC accredited program and complies with APPIC application procedures. UNMC is an equal employment opportunity employer, including of protected veterans and individuals with disabilities. Applicants must demonstrate completion of all professional doctoral degree requirements from an APA-accredited program (Ph.D. or Psy.D.) and an APA-approved pre-doctoral internship.
Does the program require that applicants have received a minimum number of hours of the following at time of application? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If yes, indicate how many (Provide for both total Direct Contact Intervention Hours and total Direct Contact Assessment Hours): N/A

In a text box below the table, describe any other required minimum criteria used to screen applicants:

- Applicants must demonstrate completion of all professional doctoral degree requirements from an APA-accredited program (Ph.D. or Psy.D.) and an APA-approved pre-doctoral internship.
- All applicants should be eligible to obtain a provisionally licensed psychologist license in the state of Nebraska. Preference is given to applicants who also have been certified by the Behavior Analysis Certification Board.
- Fellows must have a driver's license and the ability to travel to outreach clinical sites from 5 to 180 miles on a regular basis.
- Applicants must be eligible for a licensed mental health practitioner credential within the state of Nebraska and obtain an LMHP or credentialed as a certified behavior analyst by the start date of fellowship
<https://dhhs.ne.gov/licensure/Pages/Professions-and-Occupations.aspx>.
- Postdoctoral fellows are required to complete their doctoral degree prior to beginning postdoctoral fellow training. If the degree will not be conferred until after the start date of August 1st, then the fellow is required to submit a rights and privileges letter from the training director of the University where the degree will be conferred. A rights and privileges letter verifies the completion of all degree requirements pending institution graduation ceremony.
- Applicants willing to train in or with goals of living and providing psychological services in underserved/rural areas in Nebraska will receive special consideration.

3. Financial and Other Benefit Support for Upcoming Training Year
