

Welcome Back!

The health and safety of our MMI families and staff has always been a top priority. As we welcome you back to our clinic, we remain committed to this and ask for your help in keeping each other healthy.

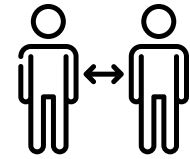

What can you expect from us:

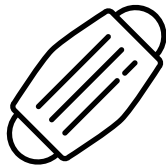

Rooms, surfaces and toys sanitized on a frequent basis

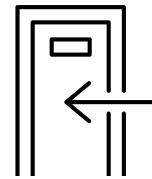

Staff will regularly wash their hands, use hand sanitizer

Social distancing throughout the building

Staff will wear masks and in most cases, eye protection

Separate entrances and exits to streamline flow of people

What we ask of you:

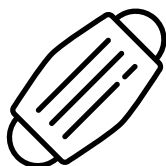

Stay home if you feel sick

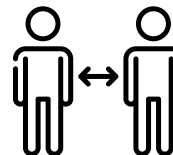

Only 1 parent/caregiver with each client

Visitor will complete a health screen and temps will be taken at building entrance A when entering

Parents and children over age 2 wear masks

Respect social distancing
