A Celebration of Hispanic Heritage and Hope

PRESENTED BY

THE MUNROE-MEYER INSTITUTE DIVERSITY AND INCLUSION COUNCIL

Athena K. Ramos, PhD, MBA MS, CPM

Athena Ramos, PhD, is an assistant professor in the department of health promotion in the University of Nebraska Medical Center’s College of Public Health. She is affiliated with the Center for Reducing Health Disparities and the Central States Center for Agricultural Safety and Health (CS-CASH). She leads a Latino outreach and engagement team and serves as principal investigator for a number of community-based health and social research and education initiatives in such areas as agricultural health and safety, immigrant integration and community well-being. She is an experienced administrator, program manager, and researcher with proven ability to develop and implement social, health and human service programs with culturally diverse populations. She has 20 years of experience in health promotion, strategic thinking, community development and public relations.

Dr. Ramos has her PhD in international family & community studies from Clemson University and two master’s degrees – one in business administration (MBA) and one in urban studies (MS) from the University of Nebraska at Omaha.
