

DEPARTMENT OF NEUROLOGICAL SCIENCES

Vascular Neurology (Stroke) Fellowship

University of Nebraska
Medical Center™

BREAKTHROUGHS FOR LIFE.®

The ACGME accredited Vascular Neurology (Stroke) Fellowship at the University of Nebraska Medical Center is the largest and only joint commission-certified comprehensive stroke center in the state of Nebraska. Fellows will be able to participate in an evaluation and advanced treatment of a wide variety of patients with both common and rare cerebrovascular diseases.

BENEFITS

- No overnight call and at least one weekend day per week completely free of clinical duties.
- Professional leave with pay for approved meetings.
- Protected research time and mentorship to develop a research project of your choice and multiple research and publishing opportunities.

OMAHA

Students, employees, staff and faculty are located in the area of 10 square blocks that make up the Omaha campus that UNMC shares with its primary clinical partner, Nebraska Medicine. Omaha is home to a world-class zoo, the NCAA College World Series and some of the best restaurants in the country.

1 year fellowship
position available
per year

Program
begins July 1

TRAINING

Program paid attendance at Wake Forest Neurovascular Ultrasound Course (Carotid & TCD)
