

## **WeeCare is a 24/7 service for finding licensed and quality child care providers who are affordable and nearby.**

- In-home child care providers
- Babysitters
- Nannies
- Backup care
- Child care centers (available upon request)

### **Benefits of WeeCare:**

- Get matched with a child care provider based on your exact needs, including weekend, nighttime and backup care
- Choose between in-person and virtual tours of child care providers. WeeCare's care managers will schedule the tours for you
- Child care providers are fully licensed and background checked. WeeCare provides ongoing training and curriculum for their providers
- WeeCare is typically 40% less expensive than other child care alternatives and offers flexible payment options
- The service provided by WeeCare is at no cost to you

### **To get started:**

1. Visit the WeeCare dashboard by scanning the QR code, going to the site, or calling the team directly.
2. Create a profile and answer a few questions about your child care needs.
3. With the help of a 24/7 care manager, you will have priority access to the largest network of child care providers in the U.S.
