Course Description: Thoughtful nursing leaders are essential to help navigate the ongoing evolution of healthcare. A fundamental component of leading is being able to explain the “why” behind one’s leadership thoughts, behaviors, and actions. This interactive session will guide participants through a framework designed to assist nursing leaders at all stages – novice to expert – as they start uncovering their nursing leadership philosophy, which is a reflective explanation of core values, mindset, leadership style, and real-life experiences.

Program Objectives:

- Identify the benefits of developing a nursing leadership philosophy
- Summarize the components of a nursing leadership philosophy
- Develop a working draft of their nursing leadership philosophy

Value: \$80.00, Cost:

- \$40 for Dinner and Program (Omaha location only)
- \$25 for Program only (Omaha and all other locations)
- \$0 for Presenters and students (no CE for students)
- \$15 for students attending dinner (Omaha location only)

Program fees are non-refundable. Refunds cannot be provided if an individual cancels, does not attend, or does not stay for the entire program. Registration may be transferred to another individual with 24 hours' notice.
