

We would like you to join us for

GREAT PLAINS NATIVE AMERICAN HEALTH SYMPOSIUM

FEBRUARY 1ST, 2025

**CREIGHTON UNIVERSITY - HARPER CENTER
OMAHA, NEBRASKA**

Indigenous voices are no longer being merely included in important discussions in healthcare — they are now unifying and being heard at the forefront of these conversations. Through GPNAHS, we are working to amplify these voices as we discuss diversity, equity, and inclusion and the interconnectedness of our spiritual, mental, and physical well beings.

HOSTED BY CREIGHTON UNIVERSITY SCHOOL OF MEDICINE
