Accreditation

In support of improving patient care, this activity has been planned and implemented by University of Nebraska Medical Center and Nebraska Medicine. University of Nebraska Medical Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

The University of Nebraska Medical Center designates this live activity for a maximum of 3.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

3.5 Contact Hours Awarded

Nebraska Medicine is approved as a provider of nursing continuing professional development by the Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Global Objectives

At the conclusion of this activity, the participants should better be able to:

- Enhance foundational knowledge of cellular therapy.
- Develop operational competencies for managing cell therapy trials.
- Strengthen interdisciplinary coordination and communication.
- Apply financial and regulatory consideration in trial planning.

Target Audience

This accredited continuing education activity is designed for research professionals including investigators, nurse coordinators, clinical research coordinators, research finance and others involved in the conduct of cellular therapy trials.
